My dear Sir:

In my recent letter to you I neglected to tell you you need NOT send me a copy of LONDON CALLING to which I subscribe. I also get BBC schedules sent airmail from London (to the press); if you folks do not receive these airmailed schedules I suggest you ask BBC for them. I find them quite helpful.

Believe me, I do NOT wish to be a nuisance...but I am having one devil of a time with schedules for the Africans (except for South Africa, which schedules I have just received from SAEC. In fact, my face is very red...since I cannot locate "current" reliable schedules for the old faithfuls--Brazzaville and Leopoldville.

If not too much trouble, were you to send me schedules of Brazzaville and Leopoldville (including time of English newscasts), they would be most welcome. I'll try to get by with what I have at hand on the other Africans.

Many thanks.

Cordially yours,
